A BRIEF TOUR

What is the Qur'an?

The word 'Qur'an' means the recitation or the recitation and the first words revealed to the Prophet Muhammad were 'Read' for recitation in the name of your Lord, the Most Gracious, the Most Merciful. The verses had passed down by oral tradition from generation to generation, but the early Muslims were not allowed to write the Qur'an in any form. It was not until the time of the Prophet Muhammad that the Qur'an was written down in Arabic script. The Qur'an is the first and only book of its kind, revealed to the Prophet Muhammad in an unbroken chain of revelation over a period of 23 years. It is the word of God, revealed to the Prophet Muhammad, and is the source of Islamic law and ethics. The Qur'an is a book of guidance, a book of wisdom, and a book of mercy.
